In Sonoma County, more than 76% of high school graduates who attend college the fall after graduation enroll at SRJC.

SRJC awarded 1,971 associate degrees and 3,060 certificates in 2012-2013.

Last year 255 students transferred to the University of California system, 722 to California State Universities, 144 to in-state private universities, and 283 to out-of-state universities.

Nearly 80% of SRJC applicants to the University of California are accepted - the third highest transfer rate among California community colleges in the state to UC.

The top transfer destinations for SRJC students include Sonoma State University, San Francisco State University, UC Davis, UC Santa Cruz, CSU Sacramento, UC Berkeley and CSU Chico. SRJC transfer students are also attending UCLA, MIT, Cornell University, Rochester Institute of Technology, Pepperdine University, The Boston Conservatory and other high-profile universities.

Students who begin their bachelor degree coursework at SRJC often get better grades when they transfer than the students who complete all of their courses at the university.
DEDICATED TO STUDENT SUCCESS

- The most popular majors at SRJC are Social and Behavioral Sciences, Natural Sciences, Nursing, and Humanities. The most sought-after certificates are Administration of Justice, Child Development, Automotive Technology, and Nursing.

- The Dental Hygiene associate degree program at Santa Rosa Junior College began in 1999. Its students recently ranked fourth in the nation on the Dental Hygiene National Board Examination.

- Santa Rosa Junior College’s unique Public Safety Training Center, one of the finest regional facilities for public safety training in the state, prepares students for careers in criminal justice, fire protection technology, and emergency medical care. The Center also provides in-service training for public safety professionals.

- The SRJC Foundation is a leader among California’s 112 Community Colleges for the number and amount of scholarships. During 2013-2014, Santa Rosa Junior College awarded more than 1,320 scholarships for a total of $1.6 million. More than 700 high school students from the class of 2013 received the prestigious Doyle scholarship.

- Shone Farm offers hands-on practice for agriculture, natural resources, and viticulture students, and produces awarded-winning wine. Shone Farm has a Community Supported Agriculture (CSA) program, offering fruits, vegetables, and Shone-grown olive oil for sale.

- Students who completed their certificate or vocational program at SRJC earn an average of 41 percent more in hourly wages.

- SRJC has nearly 70 active student clubs, the highest number of clubs of any community college in California.

- SRJC Forensics Team captured #1 national ranking in Community College Parliamentary Debate.

- Our Study Abroad program includes destinations such as Paris, Florence, London, Barcelona, and Chile.

- Since 1972, SRJC’s Summer Repertory Theatre has enrolled over 8,000 students who have received advanced training important to their professional goals. Many of these students have transferred to major schools, are employed in television, the movie industry, and in theatres across the nation.

FEES AT SRJC

- High school students take classes for free. While there are no enrollment fees, there are still expenses such as books, parking, and health fees.

- California residents pay an enrollment fee of $46 per unit. Non-residents and foreign students pay $243 per unit. In addition, all students pay a $19 per semester health fee and $1 student representation fee, any course costs associated with any classes and optional parking fee.
